Hey {FIRST NAME} just wanted to check in with you quickly about something important...

Can I show you something pretty cool that I've been working on?

Yes! Show Me!

Okay Keep this to yourself for now though...

I've put together a {CASE STUDY, CHEATSHEET, LEAD MAGNET, PDF, etc.} showing how to {BENEFIT 1}...

Can I send it over to you via email?

Send it Over!

Great! I'll send it over to you ASAP!

I Think I'll Pass...

No worries! But I want to ask you a quick question...

Actually... I don't think I have your email address. Where should I send it?

{USER ENTERED EMAIL}

Perfect :)

I'll send it over to you right now, check your inbox in the next few mins!

Why wouldn't you want a free resource that will help you {BENEFIT 1}? Type your answer and let me know:

Ah I see, well let me tell you something...

That's a valid concern :)

Here's an idea though, if I promise not to spam you or send you anything you wouldn't like - would you let me send you over this free {CHEATSHEET, GUIDE, etc.}?

Okay, Sure :)
